Dear Community Organization,

Shelburne County is blessed with individuals & groups that are committed to ensuring that its residents enjoy a high quality of life. Caring for others & sharing our talents, gifts & resources is something that we do often & well.

On Saturday, April 24th, 2010, the King Street Family Resource Centre, Women's Fishnet, South West Shore Volunteer Services and the Shelburne County Recreation Departments are proud to host Shelburne County's: **"Our Community, Something for Everyone"** fair at **Shelburne Regional High School** in Shelburne.

Our Community, Something for Everyone, is similar to a community exhibition or fair. The purpose of the event is to provide information to the public about new and existing volunteer organizations in Shelburne County, as well as to encourage people to volunteer their time. The fair is held annually in different parts of the County every year, with the last fair drawing up to 200 visitors to Shag Harbour.

The fair allows participating organizations to network and share information and is also a great opportunity to carry out fundraising. Your organization can set up a booth to display what it is you do. We supply a table. Be creative and if you would like to perform, lead a demonstration, or activity please let us know your requirements (space/power outlet, other equipment). We want your group to shine!

The 2010 ***Our Community, Something for Everyone*** fair in Shelburne will be held on Saturday 24 April and will be open to the public from 11am – 3pm, with set-up time for exhibitors that morning from 9:30-11am.

We will be promoting this event extensively through local media. Door prizes will be offered throughout the day. We ask all organizations to provide a promotional item at their booth, as a prize. Please provide your own method & means for collecting names to draw for your prize. To save time, draws will be conducted in front of the public at each booth at the end of the day. Any winners not present at the draws are to be contacted by the relevant group after the fair.

Further information is available from the committee members, listed below. Registration forms can be returned to any one of the listed contacts.

Deadline for Registration is: Wednesday March 24th, 2010

Early registration is appreciated. Promotion to the public will begin in March 2010. If you would like your Group's name to appear in the promotional material, please register as soon as possible.

We are looking forward to working with you and your Organization. Please encourage your members to attend this fun event.

Yours truly,

Members of Planning Committee
